

TONG QUOC VIET

Graphic Designer | Adobe Creative Suite, UI/UX, Animation

+48 539 324 427 | tong.quocviet1234@gmail.com | Warsaw, Poland | <https://hyrax-x.github.io/>

SUMMARY

Graphic Designer with formal training in multimedia and UI/UX, skilled in Adobe Illustrator, Photoshop, After Effects, and Figma. I create visual solutions across branding, 2D animation, and digital interfaces, backed by experience in game engines, sound design, and front-end development. I am a self-motivated learner who quickly adapts to new tools and workflows, and I thrive in collaborative, team-based environments.
